73. DECEMBER

Folgore da San Gimignano

(trans. Dante Gabriel Rossetti)

**Allegro con spirito**

*ff* (roughly and in a half-spoken way)

Last, for De-cem-ber, hou-ses on the plain, Ground-floors to live on, logs heaped moun-tain-high,

Car- pets stretched, and new- est games to try, Torch- es lit, and gifts from man to man:

(Your host, a drunk- ard and a Ca- ta- lan); —

[Ed.] All uninflected pitches are natural except those tied back to inflected pitches.
