# Adieu C.M.

Treble  
Counter  
Tenor [Air]  
Bass

Far from our friends and coun- try dear, In hos- tile lands we mourn;

Far from our friends and coun- try dear, In hos- tile lands we \_ mourn;

Far from our friends and coun- try dear, In hos- tile lands we mourn;

Far from our friends and coun- try dear, In hos- tile lands we mourn;

9

No ten-der hand to wipe \_\_\_ the \_ tear \_ Which flows with ev- 'ry groan.

No ten-der hand to wipe the tear Which flows \_ with ev- 'ry groan.

No ten-der hand to wipe \_\_\_ the \_ tear \_ Which flows \_\_\_\_\_ with ev- 'ry groan.

No ten-der hand to wipe \_\_\_ the \_ tear Which flows \_\_\_\_\_ with ev- 'ry groan.

2. Our foes vindictive mock our grief,  
And sport with our complaints;  
No mercy prompts to give relief,  
Tho' languid mis'ry faints.

3. In retrospective scenes employ'd,  
We think on former days;  
When peaceful sabbaths we enjoy'd  
And all our work was praise.

6. We seek no vengeance on our foes;  
But put our trust in thee;  
O let thy mercy interpose,  
And set thy captives free.

4. But now, of liberty depriv'd,  
In solitude confin'd;  
In vain we seek the word of life  
To feed the starving mind.

5. To thee, O Lord, we lift our eye,  
To thee, our cause commend;  
Thou hear'st the mourning pris'ner's sigh;  
Thou art the suff'rer's friend.
