*"Canon. Qui canis haec, iteranda scias tibi saepius esse: semper & in reditu, tempus te deserat unum. Ad quartam in primo reditu descendere debes: ad quintam veniens iterum, cane voce sub illa. Deinde ascendendum toties erit ordine eodem" (Rule. You who sing this should know that you must often repeat it: and each time you return, one rest will desert you. On the first return you must descend a fourth; when you return, sing the voice under that at the fifth. Then you will have to ascend as often in the same order).
